Town of Stoneham
Driveway Ordinance

1. Entrances to Town roads within the Town of Stoneham shall conform to the following standards:
 - a) An application shall be filled out on the form provided prior to construction of the entrance (see page 2).
 - b) Location of the entrance shall be upon the approval of the Road Commissioner to ensure the safety of the applicant's access to the Town Road.
 - c) Entrances shall be a minimum of 32 feet in width.
 - d) Culverts shall be a minimum of 15 inches in diameter to handle runoff.
 - e) Horseshoe entrances (two accesses to the road) are not allowed.
2. There will be no fee for the application for the entrance.
3. The original culvert shall be purchased by the applicant. If the driveway entrance is on a private road, maintenance of the culvert will be the burden of the owner. If the driveway is on a town road, it will be maintained by the town and replaced by the town should the culvert fail.
4. All applications shall be kept on file at the town office for future reference.
